AMOPs transition to your new record keeper, John Hancock, has been completed. Take these two steps to register your account online today:

Register with John Hancock

Step 1: Tell us a little about yourself. Enter your last name, Social Security number, and birth date. Click "Continue".

Step 2: Create your username and password. You'll also enter your email address and mobile number. Click "Create profile".

You're registered!

You can now use your username and password to log in to review your account, make changes, and explore financial education and tools.

Being registered allows you to:

- Go paperless or change how you want your statements and tax forms delivered
- In the future you will be able to view, download, and print your statements or customize for a specific time period
- Get email notifications when your statements and tax forms are available
- Reset your password quickly and easily
- Access and manage your account and more

Download John Hancock's retirement app and use fingerprint or facial recognition for easy access to your account.
